

## Vibiemme Domobar Piccolo

When quality is of the utmost consideration, Vibiemme machines are a terrific choice for home espresso.

Vibiemme have worked solidly over the last few years to perfect their espresso machine design and have done a fantastic job!

Vibiemme machines are found in many Italian cafes are moving into Australia in the high-end prosumer market as well as in businesses wanting café quality coffee without compromise.

The Piccolo model is a beautifully constructed single boiler machine with e-61 group and is well suited to coffee lovers who predominantly drink espresso and black coffee variants. Large quantities of dry steam are available at the push of a button when milk-based coffee is required.

This machine is available standard with high gloss black sides or in full stainless steel via special order.
