

Vibiemme Domobar Super

When quality is of the utmost consideration, Vibiemme machines are a terrific choice for home espresso.

Vibiemme have worked solidly over the last few years to perfect their espresso machine design and have done a fantastic job!

Vibiemme machines are found in many Italian cafes are moving into Australia in the high-end prosumer market as well as in businesses wanting café quality coffee without compromise.

These solidly constructed workhorses available in lever and volumetric touch pad models and with black or stainless steel sides. Vibiemme machines are built to extremely high standards with commercial components used throughout the machine. We are highly impressed by Vibiemme machines.
